Approved For Release 2002/08/21: CIA-RDP89B00569R000300160213-6 TOP SECRET PAGE TWO 25X1A (IN 05431) JUNGLE COMPLETELY AWAY FROM OTHER ACTIVITIES ON THE BASE. IS THE HANGAR ORIGINALLY CONSIDERED AS BEING MOST SUITABLE FOR OUR PURPOSES. THERE ARE SEVERAL DRAWBACKS TO ITS USE NOW, THE MOST OUTSTANDING OF THESE BEING THE ABSENCE OF AN ACCESS ROAD. IT WOULD NOT ENTAIL A GREAT AMOUNT OF WORK TO CLEAN THE HANGAR, 25X1A IS READY CUT AWAY THE JUNGLE AND LAY A PSP ROAD. TO GO TO WORK AND I AM SURE COULD HAVE A TEMPORARY JOB DONE IN A DAY OR TWO. TO DO A MORE PERMANENT JOB WOULD NOT TAKE TOO OPINION THAT THIS REMOTE HANGAR IT IS MUCH LONGER. WOULD PROVIDE AN EXCELLENT LUCATION FOR OUR OPERATION AND IF I SUGGEST WE ARRANGE NOW TO HAVE ME PLAN FURTHER USE OF THIS WORK DONE AS WE CAN PRESENTLY PROVIDE SOME SUPERVISION. 25X1A WAS EXTREMELY BRIEF UNFORTUNATELY MY MEETING WITH AND WE OF COURSE HAD MUCH TO DISCUSS AND DID NOT GET AROUND TO THIS PROBLEM. I DO NOT KNOW WHEN WE WILL SEE ANY ONE FROM AGAIN AND WILL VERY LIKELY NOT BE IN THE POSITION TO 25X1A

COMMENTS AND RECOMMENDATIONS IN THIS MATTER. WE ARE SEVERELY

OWNS ONE C47 WHICH IS OUT OF COMMISSION FOR A MAJOR INSPECTION.

I AM TOLD THE ARMY HAS FOUR OR FIVE L20'S. I HAVE NO IDEA

HOW MUCH OF A TASK IT WOULD BE TO ARRANGE FOR THE LOAN OF AN

L20 FROM THE ARMY BUT I FEEL IT WOULD BE A DISTINCT ASSET TO

HANDICAPPED BY NOT HAVING A C47 OR L20 HERE.

DISCUSS THIS PROBLEM WITH

BE CAPABLE OF REACHING

EMERGENCY.
